

UNITED WAALHAVEN TERMINALS

UWT declares the following General Terms and Conditions (latest versions) to all her quotations, agreements and services:

- All services related to repairing, maintaining and cleaning (including handling and storage) of containers are subject to the HCRA conditions (filed at the Districts Court in Rotterdam on 1st April 2017).
- All services related to freight forwarding activities, including customs formalities and fiscal representation, are subject to the Dutch Forwarding conditions (filed at the District Court in Rotterdam on 1st May 2018).
- All services related to stevedoring activities are subject to the VRTO conditions (filed at the District Court in Rotterdam on 2nd September 2009).
- All services related to domestic transport by road are subject to the AVC conditions 2002 (filed at the Arrondissementsrechtbank in Rotterdam).

These conditions are available at our office, on our website www.uwterminals.com, and will be send to you upon request, free of charge.
